

CICLOVÍA VI

FROM PARK TO PARK!
Celebrate Beautiful
Baltimore!

SUNDAY, MAY 22, 2016
NOON–4:00PM

Bike or stroll between Roland Park and Druid Hill Park along three miles of car-free streets as you pass through some of the City's most beautiful neighborhoods. It's Baltimore's longest ciclovía yet!

Local bike shops will be on hand to tune bikes and instruct children on cycling safety. Bike Maryland will organize bike safety rodeos.

Stop by the Roland Water Tower (Roland Ave and West University Parkway) and Roland Park Library from noon to 3:00 p.m. for live music and fun for kids.

Ciclovía VI is produced in cooperation with the communities of Roland Park, Rolden, Hoes Heights, Wyman Park, Hampden, Remington, Friends of Druid Hill Park, Friends of the Roland Water Tower, Bike Maryland and the City of Baltimore.
