Finance Report – Revenues are up this year as compared to last; \$188,000 compared to ~ \$90,000 in 2015-16. Beth Hayes has really tracked down people who owe fees to R & M

Kathy Hudson and Kathy Manson reported from the Landscape Committee of the CF that we need to fertilize the trees on Roland Avenue. Davey Tree has been caring for the trees and recommends deep root fertilization for all the Zelkovas in the median that were affected by the road construction, and the trees in the verge. The board voted to approve \$4,568 for that fertilization. The board also approved up to \$2,300 for one deep root watering this summer. If more is needed they will come back to the board

Roland Park Baseball League has asked the RPCL to sponsor a team. The board voted to approve \$500 to sponsor a little league baseball team.

The board voted to approve a new Plat 4 Representative to the R & M board: Jim Hanna, 4326 Roland Avenue.

The board discussed scheduling the annual meeting for May 17. CMcS will contact Principal D'Ambrosio about using the RPE/MS auditorium.

The July 4th parade is an important priority for our budget in 2017.

The CF Spring Celebration is coming up on April 29, 2017

The nominations committee needs to find 1 new board member to replace Jennifer Vey.
