

The **Roland Park News** is a quarterly magazine published by the Roland Park Community Foundation. Copies are distributed in a highly targeted manner. Approximately 1,800 are mailed directly to homes and businesses in Greater Roland Park—demographically, a very desirable group. Approximately 200 are distributed through local businesses, the Roland Park library, and area apartments and condominiums.

Annual advertisers get the best value, with space in four issues offered at a discounted rate. Single-issue advertisers get the most flexibility, with no long-term commitment required.

*Annual advertisers receive a 10% discount when full payment is received with the completed contract.

** Ad design services are also available to 1/4 page and 1/2 page advertisers at a rate of \$75 per hour.

Except for 1/8 page ads, artwork should be submitted as a press-quality PDF. Submit artwork to Jim Fanzone at Design Concept at <u>descon@designconcept.com</u> (301-317-8500) and Newsletter Editor at <u>magazine@rolandpark.org</u> (410-464-2533), with "Roland Park News" in subject line.
